To Whom It May Concern:

I am writing to you on behalf of the 505 Volleyball Academy / DCVA, a non-profit organization dedicated to the game of volleyball for young athletes. Our club's philosophy is to teach young athletes, through the game of volleyball, that dedication, discipline, and teamwork can be used to promote success in life on and off the court.

We believe at the 505 Volleyball Academy / DCVA that volleyball can be used to balance the complexity of life and learn the values of working with others as they strive to accomplish the goals that they have set for themselves. We strive to accomplish this with a structured volleyball training system designed for a consistent learning environment that is both positive, yet disciplined.

We are a new volleyball club and are in need of support from the Albuquerque community in order to exercise our philosophy. All of our coaches have experience at the collegiate, national, and/or professional levels. Our staff consists of professionals from a variety of fields that will offer new perspectives at the 505 Volleyball Academy / DCVA. Our Head Coach, Gitiak Hong, is a former professional volleyball player and a former coach at the University of New Mexico for the Lady Lobos Division I Volleyball team. He brings a vast experience and knowledge to the Albuquerque community that will be passed on to these young athletes.

We are asking for assistance from the community in the form of donations. These donations can include but are not limited to, equipment, donations to the club or a particular athlete. We are open to any form donations that you may offer.

Our representatives will be available to discuss any details of your donations at your earliest convenience

Thank you for your time,
